

National Child Day • November 20th

How are our children?

Every year, the Prince Albert Early Childhood Council honours our children by recognizing this special day for them.

We are asking Prince Albert and area to indicate their support by wearing blue for children's rights, and the importance of children. Celebrate this day along with us. **Let's spread a sea of blue.**

Children's Rights are: (from the Prince Albert Children's Charter)

- The right to have basic needs met
- The right to be safe
- The right to be themselves
- The right to belong
- The right to loving relationships
- The right to lifelong learning
- The right to contribute
- The right to play and be physically active

On November 20th Wear Blue to show

“I support children’s rights.”
